**Cross-border  
Healthcare Intervention Trials  
in Ireland Network**

## CHITIN Advisory Group Terms of Reference

---

The Advisory Group will:

- Provide advice and support to the Project Management Group (PMG) about how best to achieve the aims and objectives of the CHITIN project and oversee and mitigate risks
- Oversee preparation and implementation of the CHITIN project
- Review and provide comment on progress reports prepared by the Programme Manager and agreed by the Project Management Group
- Oversee activities of CHITIN and ensure there is a functional interface between collaborative members from NI and the ROI for the delivery of HITs
- Assist with efforts to promote and ensure national and international recognition of the CHITIN project and the Healthcare Intervention Trials funded under the CHITIN project
- Provide advice to the PMG on external relations with key stakeholders and funders
- Approve and oversee the Monitoring and Evaluation Framework for the outputs and impacts arising from the CHITIN project
- Advise on opportunities to enhance the long-term sustainability of NI /ROI collaboration in funding cross-border research
