

**Involving the Public in the Design and Conduct of Research:  
Building Research Partnerships  
A Train the Trainers Workshop  
25<sup>th</sup> September 2019**

## **What is it?**

This **free** workshop will provide training for people who are interested in becoming small group facilitators for the Building Research Partnership course run by HSC R&D Division and the NI Cancer Trials Network. The workshop will also act as foundation training for anyone who may consider future training to develop as a course leader.

## **Who is it for?**

Patients, carers, members of the public, health professionals or researchers **who have already undertaken the Building Research Partnership Workshop** and would like to become facilitators of this workshop.

## **How long is it?**

1-day workshop from 9.30am until 4.00pm

## **What will I get out of it?**

- You will gain an understanding of the aims and purpose of the Building Research Partnership workshop and its content.
- You will be provided with course materials and practical tips to facilitate the small group exercises
- You will be expected to follow through on this training as a table facilitator at future workshops
- You may be given the opportunity to undertake further training to develop as a Building Research Partnerships course leader.

## **When and where?**

This workshop will take place on the **25<sup>th</sup> September 2019**, Riddel Hall, Belfast
